My dear Sir Knights.

"May Devotions to the Blessed Virgin Mary refers to special Marian devotions held in the Catholic Church during the month of May honoring the Virgin Mary as "the Queen of May". These services may take place inside or outside. A "May Crowning" is a traditional Roman Catholic ritual that occurs in the month of May.

Origins

A number of traditions link the month of May to Mary. Alfonso X of Castile in the 13th century wrote in his Cantigas de Santa Maria about the special honoring of Mary during specific dates in May. Eventually, the entire month was filled with to Mary. The origin of the conventional May devotion is still relatively unknown.

Herbert Thurston identifies the seventeenth century as the earliest instance of the adoption of the custom of consecrating the month

of May to the Blessed Virgin by special observances. It is certain that this form of Marian devotion began in Italy. Around 1739, witnesses speak of a particular form of Marian devotion in May in

Grezzano near Verona. In 1747 the Archbishop of Genoa recommended the May devotion as a devotion for the home. Specific prayers for them were promulgated in Rome in 1838.

According to Frederick Holweck, the May devotion in its present form originated at Rome where Father Latomia of the Roman College of the Society of Jesus, to counteract infidelity and immorality among the students, made a vow at the end of the eighteenth century to devote the month of May to Mary.

From Rome the practice spread to the other Jesuit colleges and thence to nearly every Catholic church of the Latin rite. In Rome by 1813, May devotions were held in as many as twenty churches. From Italy, May devotions soon spread to France. In Belgium, the May devotions, at least as a private devotion, were already known by 1803. The tradition of honoring Mary in a month-long May devotion spread eventually around the Roman Catholic world in the 19th century together with a month-long devotion to Jesus in

June and the Rosary in October.

Mary, Queen of May

Pope Pius XII, recognizing traditional precedents, proclaimed the "Queenship of Mary" through his encyclical, Ad Caeli Reginam, .

While May devotions may differ in various countries, the Marian title "Queen of May" exists in several countries as manifested in Marian songs. In English speaking countries such as England, Ireland and the United States a Marian hymn uses the following text:

Hail Virgin, dearest Mary! Our lovely Queen of May! O spotless, blessed Lady, Our lovely Queen of May. Your children, humbly bending, Surround your shrine ...

In German-speaking countries, the equivalent term is Maienkönigin

"May-Queen" Maria Maienkönigin,. wir kommen dich zu grüßen. O holde Freudenspenderin,. sieh uns zu deinen Füßen.

"Mary, Queen of May", we come to greet you. You see us at your feet.

Another similar song greets Mary, the queen of May, who is greeted by the month of May.

Another well-known Marian "Queen of May" song ends with the words:

O Mary we crown thee with blossoms today!
Queen of the Angels and Queen of the May.
O Mary we crown thee with blossoms today,
Queen of the Angels and Queen of the May

May crownings

In Eastern churches, crowning Mary was associated with adding ornamentation to an icon of Mary, sometimes as simple as adding

additional gold trim. Perhaps in homage to this, Pope Clement VIII

added two crowns to the icon of Salus Populi Romani in the Saint Mary Major Basilica in Rome. The crowns were eventually lost, but were replaced by Gregory XVI in 1837 in a rite that was to become the standard practice for crowning."

Lady Regina and myself wishing you and your family a blessed Month of May under the protection of our Virgin Mary.

Vivat Jesus
